# JAPANESE GOVERNMENT (MONBUKAGAKUSHO: MEXT) SCHOLARSHIP FOR 2016

## (JAPANESE STUDIES STUDENTS)

The Ministry of Education, Culture, Sports, Science and Technology (MEXT) offers scholarships to foreign students to study for a period of one year at designated Japanese universities in order to deepen their understanding of the Japanese language, Japanese affairs and Japanese culture.

Regulations for the 2016 MEXT Scholarship Program are as follows:

### 1. QUALIFICATIONS

The Ministry of Education, Culture, Sports, Science and Technology (MEXT) is now accepting applications from overseas students for study in Japan. Our aim is to foster human resources who will become bridges of friendship between your country and Japan through study in Japan and who will contribute to the development of both countries and the wider world.

- (1) Nationality: Applicants must have the nationality of a country that has diplomatic relations with Japan. An applicant who has Japanese nationality at the time of application is not eligible. However, persons with dual nationality who hold Japanese nationality and whose place of residence at the time of application is outside of Japan are eligible to apply as long as they give up their Japanese nationality and choose the nationality of the foreign country by the date of their arrival in Japan. Applicant screening will be conducted at the Japanese diplomatic mission in the country of applicant's nationality.
- (2) Age: Applicants generally must have been born between April 2, 1986, and April 1, 1998.
- (3) Academic Background: Applicants must satisfy the following two conditions.
  - 1. Applicants must be undergraduates at foreign (non-Japanese) universities majoring in fields related to the Japanese language or Japanese culture at the time of arriving in and leaving Japan.
  - 2. Those who have studied the Japanese language at a university for a total period of at least more than one year as of April 2016. Those who have studied Japanese for a total of at least one year at another university should submit without fail documents (transcript of grades at other university, etc.) that can verify that the applicant studied Japanese for a period of at least one year at the said university;

Those majoring in fields of study other than Japanese language and Japanese culture (such as engineering, economics, agricultural science, architecture, and art) and who wish to pursue complementary studies in Japanese language and culture should apply for other scholarships, such as the Japan Student Services Organization (JASSO) Student Exchange Support Program (Scholarship for Short-term Study in Japan).
- (4) Japanese Language Ability: Applicants must have Japanese language ability sufficient for receiving education at a Japanese university in Japan.
- (5) Health: Applicants must be free from any mental or physical disabilities that would impede the pursuit of study at Japanese universities.
- (6) Arrival in Japan: Applicants must be able to arrive in Japan within the two weeks before the first day of the course set by the university in Japan (usually October) and the period set by the admitting university. (If the applicant arrives in Japan before this period for personal reasons, travel expenses to Japan will not be paid. Excluding cases of unavoidable circumstances, If the applicant cannot arrive in Japan during the designated period, the applicant must resign.)
- (7) Visa acquisition: Applicants must acquire *College Student (ryugaku)* visas before entering Japan. They then enter Japan with the *College Student (ryugaku)* residence status. Please also note that those who change their visa status to one other than *College Student* after arrival in Japan will lose their qualification to be Japanese Government Scholarship recipients from the date when their visa status changes.

- (8) Applicants must return to their home country and school and resume their studies immediately after the end of the scholarship period. In addition, while the applicant is studying in Japan, he/she shall contribute to mutual understanding between Japan and the home country by participating in activities at schools and communities with the aim of contributing to the internationalization of Japan. The applicant shall make efforts to promote relations between the home country and Japan by maintaining close relations with the university attended after graduation, cooperating with the conducting of surveys and questionnaires after the return home, and cooperating with all relevant projects and events conducted by Japanese diplomatic missions in the applicant's home country.
- (9) Any applicant who meets any or all of the following conditions is ineligible. If identified after the start of the scholarship period, the applicant will be required to withdraw from the scholarship.
1. Those who are military personnel or military civilian employees at the time of their arrival in Japan;

  4. Recipients of scholarships from institutions other than MEXT (including government institutions in their home countries) that overlap with the Japanese Government Scholarship (Prospective beneficiaries are included);

- (4) University placement and specialized study of Japanese language and Japanese culture will be conducted as follows.  
Specialized Japanese language and Japanese culture study will be divided into the following two courses, depending on the objective of the study: (a) A course conducted mainly to improve students' Japanese language proficiency with supplementary study about Japan and Japanese culture, and (b) A course conducted mainly about Japan and Japanese culture with supplementary study to improve Japanese language proficiency.

Those who are unable to find accommodation in the aforementioned facilities may live in regular dormitories of the university or in private boarding houses/apartments.  
It is difficult for recipients with dependents to find appropriate housing in Japan. The recipient is requested to arrive in Japan alone first to secure housing before having his/her spouse and/or family come to Japan.
- (4) It is the recipients' responsibility to verify whether the completion of the courses in Japan will be recognized as credits in his/her home country. If they need further information regarding the content of the course, please directly contact the university that offers the course.

These matters are included in the Pledge stipulating rules and regulations which MEXT Scholarship recipients must comply with and submit when they have been granted the Scholarship. Excluding exceptional circumstances, only those concurring with these conditions will be accepted as MEXT Scholarship recipients and will be granted the Scholarship.
