

# SCHOOL VISIT OPPORTUNITY!

One or more members of the Consulate General of Japan come out and visit your school.  
(Assemblies or classroom visits are both possible.)

Students learn about the country of Japan, the culture of her people and the language spoken there.

Students have the chance to participate in exciting activities and ask pressing questions.

Students have a global perspective instilled in them which creates the desire to learn more about cultures different from their own.

For more information or to set up a school visit please contact  
Adam Wolf at [adam.wolf@dt.mofa.go.jp](mailto:adam.wolf@dt.mofa.go.jp)  
or 313-567-0120 ext. 226
